

UMKC Financial Aid & Scholarships Office

GRANT ADJUSTMENT POLICY

Federal Pell Grant, Federal SEOG, and UMKC Grant awards are affected by enrolled credit hours. Prior to a term, awards are based on anticipated enrollment. Students' enrollment is frozen at the end of the fourth week of classes during the fall and spring semesters and at the end of the second week of classes during the summer semester. This frozen enrollment is used for the purpose of determining actual awards. In keeping with federal regulations, award adjustments are made for students who increase total credit hours during this week and also for students who drop credits. Therefore, students who reduce credit hours during this time period and see a reduction in Federal Pell and/or Federal SEOG may be required to repay a portion of disbursed grant funds. Dropping hours beyond this point will not result in a Federal Pell Grant adjustment. If you had a Return to Title IV calculation processed on your semester's aid prior to the census date and was required to return a portion of your federal aid, your Return to Title IV calculation will remain the same. You will not be required to return any additional Federal loan funds for that semester.

Retroactive Withdrawals and Fee Petitions

If you retroactively withdraw from a UMKC class or classes and receive a 100% refund for all charges related to tuition and fees for the class or classes, your federal, state, and institutional aid may be adjusted or cancelled based on your new enrollment status. You will be billed for any portion of Federal, State, and/or institutional aid you were awarded and that paid to your account that must be returned for that semester. The refunded amount will be applied toward the repayment of Federal, state, and/or institutional aid that you received for the semester. If the amount of the fee refund is less than the amount of Federal, State, and/or institutional aid that paid to your account for the semester, you will be billed for the amount of the Federal, State, and/or institutional aid minus the refunded amount.
