

How to Determine If You Have Been Selected for Verification

The easiest and fastest way to determine whether or not you've been selected for the verification process is by reviewing your Student Aid Report (SAR), which you received upon submission of your FAFSA. If there is an asterisk (*) next to the Expected Family Contribution (EFC), your application has been selected for verification. You can confirm this selection and determine what documents are required by logging into your Pathway account.

1. **Log-on** to Pathway at pathway.umkc.edu using your user name and password
2. Once logged on, select **Menu** on the left-hand side of Pathway
3. Select **Self-Service**
4. Select **Student Center**
5. On the right-hand side you will see a **To Do List** box

6. Select 
7. On the To Do List screen, select **Financial Aid** in the **Requested For** drop-down and select **Go**

8. Now you are viewing only To Do List items related to the Financial Aid and Scholarships Office. Click on each item to view important details, including how to access and print your **Verification Worksheet**

- b. Select the **To Do Item** that includes “Verif Wksht” in the title
