Satisfactory Academic Progress Policy

Federal regulations require schools to have a policy and a procedure to measure the academic progress of all of its students. All UMKC students are subject to the Satisfactory Academic Progress (SAP) policy and must meet the standards of the policy to receive financial aid.

SAP Requirements

To maintain SAP at UMKC, a student must:

3. Complete a degree or certificate program in no more than 150% of the average length of the program.
Undergraduate Students: eligibility ceases after 180 attempted credit hours.

Professional Students: eligibility ceases when the student is no longer admitted or is dismissed from the professional program. *Students working on a subsequent degree at a prior level (e.g. second bachelor's degree, second master's degree, doctoral degree, etc.) should notify the Financial Aid and Scholarships Office (FASO) in writing for further consideration.*
4. Meet the academic standing policy required for your degree or certificate program.

Monitoring SAP

- The Financial Aid and Scholarships Office will monitor SAP at the end of each semester including Fall, Spring, and Summer.
- Students who fail the SAP policy or who are placed on SAP Warning will be sent an email notification to their UMKC email account.
- Generally Non-Degree seeking students are not eligible for aid.

Financial Aid Warning

A student that does not meet SAP requirements will be given a warning status code to allow them one semester to regain eligibility by meeting the minimum GPA and or completion rate requirements listed under the [SAP Requirements](#) section of this policy. Students are only given a warning status after having been in a SAP eligible status. In some cases, as indicated in the [SAP Requirements](#) above, students may automatically fail the SAP policy instead of receiving a warning status. When a student automatically fails the SAP policy, they become ineligible to receive aid.

Additionally, any student who is placed on academic probation by his or her school or college is also considered to be on Satisfactory Academic Progress Warning and is expected to comply with the probation requirements of both the school or college and the UMKC Financial Aid and Scholarships Office.

Ineligible to Receive Aid

Students who fail to fulfill the requirements of Satisfactory Academic Progress Warning or automatically fail the SAP policy are not eligible for financial aid. These students will receive notification of their failure to comply and relevant future aid may be cancelled following the appeal period.

Students who have not met Satisfactory Academic Progress standards and/or are on Satisfactory Academic Progress Warning are not eligible for consortium agreements or for participation in study abroad programs.

Appeal Process

Students who are ineligible for aid due to failing SAP Warning or who automatically failed the SAP policy and who feel that extenuating circumstances should be considered (family death, illness and/or hospitalization, etc.), should submit an appeal to the UMKC Financial Aid and Scholarships Office.

The appeal form is available on our website at:

http://www.sfa.umkc.edu/site2/forms/other/satisfactory_academic_progress_appeal.pdf

The Appeal Deadline is the first Friday after the beginning date of the term for which financial aid consideration is requested. Appeals received after this deadline will be accepted on a case by case basis. Students who fail to submit an appeal within this deadline may have their aid cancelled.

The appeal must include

1. Solid documentation supporting the reason(s) the student failed to meet satisfactory academic progress or complete the probationary requirements, including a written statement from the student.
2. An **academic plan** approved by the student's academic advisor outlining one or more of the following:
 - a. how the student will meet satisfactory academic progress in the future (improve GPA, complete all attempted courses).
 - b. how and when a student will satisfy current incomplete grades (if applicable).
 - c. how you will meet the requirements for graduation by your anticipated graduation date.
3. A statement explaining what corrective measures have been taken to assure satisfactory academic progress in the future.

Appeals are reviewed by the UMKC FASO SAP Committee and or the Financial Aid and Scholarships Director. Students will be notified of the decision in writing via email within two-four weeks of the start of the term. See the Regaining Aid Eligibility section of this policy for information on if an appeal is denied.

Financial Aid Probation

Students are placed on financial aid probation if they successfully submit a SAP appeal that is approved. Aid is reinstated for students placed on financial aid probation status and are expected to meet SAP Requirements by the end of the term. However, students on Financial Aid Probation will not be approved for any type of consortium agreement or study-abroad and are ineligible for work-study.

Some students who file a successful appeal with the UMKC FASO may be required to complete a Satisfactory Academic Progress Probation Contract. Students who are put on a Satisfactory Academic Progress Probation Contract may be required to fulfill specific terms while on Financial Aid Probation, such as participation in the Coaching Program offered through the Center for Academic Development (CAD). To be considered for financial aid for the specified term, the student must sign and return a copy of the contract, thereby indicating that they have read and agreed to the terms of the contract. Financial Aid will be processed following receipt of a valid, signed contract.

Regaining Aid Eligibility

To regain financial aid eligibility after an unsuccessful SAP Probation or after denial of a SAP appeal, a student must do the following WITHOUT receiving financial aid from UMKC:

1. Achieve the minimum grade point average as indicated in the first SAP Requirement above.
2. Attain the minimum completion rate for attempted credit hours as stated in the second SAP Requirement above.
3. Complete 100% of attempted credit hours.

It is the student's responsibility to notify the UMKC FASO in writing once all requirements to regain financial aid eligibility have been completed.

Attempted Credits

- "Attempted credit hours" is defined as the number of credits in which a student is enrolled as of the University Census Date of each term. This date coincides with the last day to drop with no record (refer to the UMKC Academic Calendar). "Successful completion" is receiving earned credit as defined by UMKC grading policy. Attempted credits include the following:
 - Successfully completed (with passing grades)
 - Non-passing grades- includes dropped, failed, and incomplete courses, remedial and audit courses for which no credit is received, and repeated courses (in which you previously received a passing grade) do not count towards credit hours earned. Credit hours for a course are earned by completing and passing the class.
 - Repeated classes
 - Dropped credits after the add/drop period
 - Withdrawal from a semester on or after the first day of class that results in a W ○ Grades which are changed to a W through the Academic Standards appeal process ○ Transfer credits

- Students enrolling for their first semester at UMKC are considered to be making satisfactory academic progress.
