2023-2024 Dependency Override Appeal

****Use the *Secure Document Uploader* in Pathway to submit your forms quickly and securely!****
Use Document Type: [Dependency Appeal](#)

The U.S. Congress and Department of Education determine the criteria for whether a student is considered dependent or independent of their parents for financial aid purposes.

If you feel there are extenuating circumstances which might warrant re-evaluation of your dependency status, provide the following information so that your financial aid administrator may make this determination. You may be asked for additional documentation depending on your individual situation.

This office **will not** change a student's dependency status for the reasons listed below:

- The parents are unwilling to provide the financial data required on the Free Application for Federal Student Aid
- The student provides all of his or her financial support and/or no longer lives with parents
