

Using the Secure Document Uploader

The safety and security of your personal information is very important to the UMKC Financial Aid and Scholarships Office. To assist with collecting documents required for financial aid, UMKC has developed a Secure Document Uploader tool that can be accessed via [Pathway](#). Students can use this tool to submit documents electronically through a safe and secure platform. **The Secure Document Uploader is also mobile-friendly.**

For information on how to know if the Financial Aid Office is requesting documents, review our [To Do List Guide](#).
